PROFILE

Creative Junior Graphic Designer with 2+ years of experience delivering high-impact visual work across social media, brand identity, product visualization, and web design. Proficient in Adobe Creative Suite, Figma, and Canva Pro, with additional experience in AI-assisted design tools. Bilingual in Arabic and English with strong command of Arabic typography for the Kuwait and GCC market.

EXPERIENCE

Junior Graphic Designer

2023 – Present

Self-Directed Projects · Kuwait

- Produced concept social media campaigns inspired by brands including BMW, Nike, Talabat, Jahez, Keeta, and Kia — practicing real-world briefs across static posts, stories, carousels, and ad creatives in Arabic and English.
- Developed a complete brand identity concept for Green Bites (F&B brand) including social media templates, stories, and app mockups with a consistent visual language.
- Created cinematic automotive compositing work (Porsche 718, Porsche 911 GT3) using advanced Photoshop lighting, masking, and environment techniques.
- Produced luxury product visualization concepts for fragrance and fashion brands using studio lighting manipulation and photo retouching.
- Designed two personal web projects as beginner web design practice — a skincare brand site and a coffeehouse brand site.
- Completed 50+ self-directed projects across F&B, automotive, luxury, and lifestyle to build a diverse, industry-ready portfolio.
